It may be said that it is difficult to see what is there preventing men possessing fair knowledge of work applying through the C.R.B. ~~The~~ Inviting of application when advertisement is likely to attract men of decent qualification & there ~~may~~ will be a larger field to select from. If it is the intention to get the best available candidate the vacancy can be advertised as a general vacancy.

Trial orders have to issue I think, from the C.R.B. Section & not from G.H.Q.

Chief Secy / Chairman

This is special work. I think the controlling committee's proposals may be approved

of Mysore, Bangalore.

SIR,

Adverting to G.O. No.S.544-51/Ft.65-27-2 dated the 9th September 1927 sanctioning a temporary staff of one Sub Assistant Conservator of Forests and four Fieldsmen on a pay of Rs.25 to 35 according to qualifications for the Botanical or Forest Section for the Investigation of the Spike Disease in Sandal, I have the honour to state that the appointments of the Fieldsmen cannot be made subject to the rules of recruitment since the men to be employed therefor should possess a fair knowledge of the work to be attended to and ~~xxxxx~~ raw men will not be of much use. On discussing the question in detail, the Controlling Committee, came to the conclusion that these appointments may be excluded from the operation of the Recruitment Rules. I request you to kindly obtain orders of Government in the matter. The Sub Assist-ant Conservator of Forests in charge of the Section has, in the meantime, been asked in anticipation of approval to select suitable men for the posts in question so that time may not be wasted for want of Fieldsmen.

I have the honour to be,

Sir,

Your most obedient servant,

B. V. Ramaiengar

Conservator of Forests.
